EXAMINER'S AMENDMENT

1. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it **MUST** be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Ashkan Najafi on May 2, 2005.

The application has been amended as follows:

Claims 14 and 16-18 have been cancelled.

2. The following is an examiner's statement of reasons for allowance: In the previous Office action filed January 25, 2005, dependent claims 4 and 10 were indicated as containing allowable subject matter. Since independent claims 1 and 8 have been amended to incorporate the limitations of now-canceled claims 4 and 10, respectively; the remaining claims are dependent either upon claim 1 or claim 8; and an updated search of the prior art yielded no other references pertinent to Applicant's claims, it is considered that the application is currently in proper condition for allowance.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue

fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Robert G. Santos whose telephone number is (571) 272-7048. The examiner can normally be reached on Tues-Fr and first Mondays, 10:30 a.m. to 8:00 p.m..
